

West Newbury Open Space Committee
MINUTES

Thursday, December 8, 2016

Present: John dodge, Dawne Fusco, Jenifer Germain, Marlene Switzer, and Jean Lambert, scribe.

The meeting began at 7:17 P.M.

This meeting was a special meeting called to discuss the Right of First Refusal on the Daley 716-718 Main Street property, parcels abutting the Page School property. Following the discussion, Jennifer moved that we advise the Selectmen to consider exercising the RoFR option on these parcels (Lots 1A and 1B) because, given the proximity of these parcels to the Page School, these lots might be useful for needs of the school or the Town. Dawne seconded the motion. The vote was unanimous in the affirmative.

The meeting was adjourned at 7:40 P.M.

Respectfully submitted,
