

MEETING NOTICE-WEST NEWBURY
FINANCE COMMITTEE

Date & Time: Monday October 22nd , 2018 6:30 PM

Location : In the Annex adjacent to the 1910 Building

Gary L. Roberts Jr., Chairman, Forbes, Beaudoin, Knezek in attendance

AGENDA

1. Call to Order
2. Approval of Minutes

Vote 3:0 to approve minutes from last meeting.

3. Make final preparations for Special Town Meeting

The article related to the open space preservation development bylaw(article #9) has had some last minute changes, based on input from a public hearing held on the proposed by-law changes. In general the changes appear to broaden the application of buffer areas to include all perimeter areas and to modify the language that describes the management of vegetation in buffer areas to change the minimum buffer area from 20 to 25 feet.

Forbes and Roberts oppose the last minute changes to the warrant. Beaudoin also opposes the last minutes changes but notes that a voting against the amended article on procedural grounds would prevent these changes from being able to be placed on a warrant for 2 years.

Vote: 1:2:1, Forbes and Roberts opposing, Knezek obtaining

Article #8(solar zoning bylaw) will have a motion for no action.

4. Adjournment
