River Access Committee

Agenda

Thursday, April 20, 2017 7 PM

2<sup>nd</sup> Floor Hearing Room

To review prior meeting with Fire & Rescue, Police and Highway regarding existing uses & conditions as well as the draft preliminary conceptual plan, including State owned property, at land along the river (adjacent to Ferry Lane Park).

To discuss additional work done or needed for draft preliminary conceptual plan including further work by MVPC and possible engagement of intern via Ray Cook to do renderings.

To discuss review of ownership of land along river adjacent to Ferry Lane Park including engagement of Attorney for title search.

To discuss next steps regarding stakeholders, Town Boards & Committees and public.

To review and approve minutes from previous Committee meetings.

To set future tasks and meeting dates to further plans for water access at same land along river.  
Next meeting date might be May 25.
