

There will be a meeting of the West Newbury Energy Advisory Committee on Wednesday, September 25, 2019 at 7 pm in the lobby of the Town Office building at 381 Main Street in West Newbury. The agenda for the meeting includes:

- Approval of minutes from last meeting
- Checking in on information gathered by the Committee from neighboring towns about their experience/process with LED streetlight replacement
- Discussion about getting good information on WN street lighting costs. FinCom booklet budget info appears to contain estimated values
- Discussion/review of graphic on Main Street Solar showing cost savings by year for website
- Update on energy/money saving tip website story about MassSave
- Review of draft 3-phase power map from Planning Board. Discussion of how to get it finalized and how we should use it/ make it available
- Prep for discussion with Selectmen on 9/30 re: LED replacement, Green Community grant possible projects (LED, Electric Vehicle charging stations)

ACCEPTED
TOWN CLERK
WEST NEWBURY, MA
