West Newbury Housing Opportunities Initiative Project Kick-Off Meeting

Tuesday April 18th at 7:30PM via Zoom

Please join the Planning Board and other community members to begin this initiative to identify appropriate locations for multi-family housing in West Newbury and to explore zoning changes for those areas.

The project is funded by a state grant to help the Town comply with a new state law (MGL 40A Section 3A) that requires 175 municipalities within the MBTA service area to adopt a zoning district that allows multi-family housing (3+ units per building).
