

Municipal Vulnerability Climate Change Action Grant Project Examining River Road and Environs:

Take a Virtual River Boat Tour Looking at River Road via a Slideshow!

The Climate Change Resiliency Committee offers many thanks to those who participated in the October 3rd river boat tour introducing West Newbury's climate change Municipal Vulnerability Preparedness River Road and Environs grant project!

[Click here](#) to see a slide show of the river tour and [here](#) for more information about the project overall.

Please stay tuned for additional events in coming weeks and months—and feel free to contact us at Climate@WNewbury.org with your comments, questions, or other feedback. Also, you are invited to participate in the Climate Change Resiliency Committee's public meetings, which are noticed [here](#) on the Town website.
