### **FY20-ASSESSORS OFFICE**

The Assessor's Office is in the process of inspecting personal property, any open building permits, and cyclical recollection of property data for any home that hasn't been inspected within the last ten years.

A Data Collector from the office will be visiting properties to measure the exterior and conduct an interior inspection if applicable.

The Data Collectors will check in with the Police Department, have photo ID's and a letter from this office stating the scope of our project.

Sincerely,  
Meredith Stone, MAA  
Chief Assessor
