Coronavirus (COVID-19)

The Board of Health & Public Safety are working closely with our State & local counterparts as well as the Pentucket Regional School District to prepare for the potential risk of the Coronavirus showing up in our community. We will continue to send updates as needed.

In the meantime, residents should continue to practice the same precautions that are used to prevent the common cold or the flu. For more information, the following websites can be reviewed. MA Department of Public Health (DPH) website at: www.mass.gov/2019coronavirus & the Center for Disease Control and Prevention (CDC) website at: www.cdc.gov/coronavirus/2019-ncov.

Any questions or concerns, feel free to contact me at psevigny@wnewbury.org.

Sincerely,

Paul Seigny
Health Agent
