Gender (check one) Female _____ Male _____ Spayed Female _____ Neutered Male _____

All dogs 6 months of age shall be inoculated against rabies and licensed with the Town of West Newbury, as required by Massachusetts General Laws, Chapter 140, Section 137.

If the dog license fee remains unpaid until May 1st, an additional fee of \$10.00 per dog shall be due. An additional \$10.00 per dog shall be added to the license fee on June 1st, July 1st and August 1st. Any dog owner who does not pay the license fee beyond that date shall be subject to additional fines in addition to the license fee.

Residents over 70 years of age are exempt from dog licensing fees by virtue of state law. You must apply by mail or in person to have your fee waived.

Ownership of more than 3 dogs requires a kennel license.

West Newbury has a leash law. Owners must be in control of their dogs at all times. Please review Town Animal By-law, VI. of the Town By-laws for more information.
