Planning Board	Fred spoke with Tim Cronin Chair of WN Planning Board. The Tree Comm is on PB agenda for 12/7 meeting to present results of tree survey and to identify next steps. Committee members are encouraged to attend. Fred will present and ask what Planning Board is willing to do about issues raised in tree survey. Fred will find out if remote participation or in person and will let us know. Main issue for focus of presentation is tree cutting and removal, and also replacement of trees if they get cut down. Key questions: Ask Planning Board how they review landscape plans. Ask how they would like Tree Committee to help address residents' concerns about loss of rural character of landscape.
New Member	Kelly Scott is interested in joining committee. She is a life science teacher and West Newbury resident. Committee voted 4-0 in favor of Kelly Scott joining the Tree Committee. Fred will recommend her appointment to Select Board.
